PASSION FOR PASTA

In the early 1900's, the Costa family immigrated from Corleone, Sicily to America. They soon settled in California and opened a Sicilian Deli in the little Italy section of Los Angeles. Among the many foods that the Costa family offered, their handmade pasta quickly became their best selling items. Soon, local restaurant owners were demanding Costa pasta and in 1923, Costa Macaroni Manufacturing Company was born.

Today, Pasta Montana continues in the rich tradition of producing the Costa Pasta brand in its state-of-the-art facility. Located in Great Falls, MT, Pasta Montana is in the center of Montana's Golden Triangle, an area known for producing exceptional high protein durum wheat.

Costa Pasta's customer service is legendary for offering the highest level of service in the industry. From fast order processing, to recipe ideas and on-site troubleshooting, our dedicated staff responds quickly to your needs.

Always courteous and professional, our Customer Service team is available to serve you from 7:00am to 3:30pm PST, Monday through Friday.
